

Your Story. Your Connection.

MakeTheConnection.net helps Veterans and their families recognize that they are not alone—there are people out there like them who are going through similar experiences, overcoming challenges, reaching positive outcomes for treatment and recovery, and finding paths to fulfilling lives. These messages are conveyed by the most credible sources of all—the voices of other Veterans.

Many of our Nation's Veterans—from those who served in World War II to those who served more recently—can benefit from hearing the stories of others and gaining greater awareness of the resources that are available to help them move forward with their lives.
