

## It's About Time 60 Second

Man 1: Sir, did you need any help?

Man 2: Help? Sure. I need some direction. Because the day I stopped clocking in, all my purpose went right out the window. And you know what came back in that same window? All of the things I didn't want to remember. Sound like fun, huh? Lonesome? Check. Can't sleep? Check. Drink too much? Oh yes, sir! Fifty years after 'Nam and I still can't talk to my wife and kids about this stuff.

Man 1: Sir? Sir?

Man 2: Huh?

Man 1: I just wanted to know if you needed any help.

Man 2: Help? No, I don't need any help. I just came in for a lock.
