

Veterans' Voices 30 Second

Bryan: I wanted to be in the military since I was a kid.

Trista: I served a total of 16 years.

Robert: And at 19 years old, that's the first time I ever saw somebody die.

Marylyn: Coming back, I was raging.

Bryan: I started having pretty horrible nightmares.

John: I started drinking a lot.

Trista: I guess I never recognized it in myself.

Bryan: It all starts with going to the VA. There's a whole community of Veterans that just want to help you out.

Mike: It's for the guys who couldn't come back. So you owe it to them to live well, because they're not here with their families.
