

Free Fall (PSA – 60-second)

Narrator: As a Veteran, you get a lot of advice. But wisdom's harder to come by.

A lot of people imagine themselves in our shoes, without understanding the weight on our shoulders.

The truth is, few can understand the pressure of finding your own way after serving in the military.

But few, isn't none. You've got support.

You can't control the chaos, but you can chart your way through it.

Steady yourself.

Take a breath.

You're not alone.
