

## A Path Forward 60 Second

**Interviewer:** You pledged your life to serve, to make your country stronger, safer, more free, more equal. You worked tirelessly, made sacrifices, missed first steps and birthdays, lost loved ones. At VA, we don't see the setbacks endured. We see lessons applied and passion driving you upward and forward. We don't see all the masks you wear, but we hope you can set some aside. We embrace your uniqueness and won't trivialize your past, your fears, or your hardships. We can't promise to heal all wounds or wash away all trauma, but we do see hope, a path forward, a future. We see all veterans. We see you. An opportunity to help you achieve a new mission, whatever that may be.
