

Turn Hope into Action 60 Second

Speaker 1: What is hope? Hope to me was just that he would get to come home. I had no idea how hard it would be once he got back.

Speaker 2: I wish she'd stop drinking so much. She thinks it's helping but it's not. I hope she sees that soon.

Speaker 3: I act like I don't care if he comes to my games, but I hope he does.

Speaker 4: I used to hope he'd find happiness again. Now I hope our marriage makes it.

Speaker 5: I hope Grandpa will get help. He thinks it's too late, but it's not.

Speaker 6: With everything that he is going through, I hope he sees a counselor. I just want my Brother back.

Speaker 7: I'd hoped he'd get help, stop hoping things would get better on their own. He told me to stop asking. I didn't. Then one day he asked for a ride.

Speaker 8: Hope is knowing there are other families just like yours, that the Veterans they love got help and recovered. Go to ***MakeTheConnection.net*** and turn hope into action.
