

Transitioning From Service 60 Second

Interviewee1: It's been more than five minutes.

Interviewee2: No it hasn't.

Interviewee3: Hey can you turn it down for me?

Interviewee1: I want it, it's my turn.

Interviewee2: No it isn't.

Interviewee3: Please, just keep it down. I remember days when just driving down the street would give me anxiety. And now look at me.

Interviewee4: Don't get me wrong, I still don't love crowded places. But it's good to get out again.

Interviewee5: Noises like that used to make me hit the deck. But now, I can keep going.

Interviewer: Transitioning from the military can be tough. We all have unique experiences, but many Veterans are facing similar challenges. Life goes on but some things are different now.
