

Encourage Your Veteran Patients To **Make the Connection**

MakeTheConnection.net is a free online resource created to connect Veterans and their family members and friends with information about mental health challenges, treatment options and sources of local support.

“*The Make the Connection website can ... be helpful for providers who have been serving Veterans for a long period of time, but also for new providers to gain some understanding and to really hear it from the voice of the Veteran.*”

— Amy, VA Psychologist
